FITTING NOTES

Please note the length measurement in the table is the ideal length of your foot relative to the last (ie: there would be length past this to allow for the taper or shape of the last)
Cambridge lasts also available in D (narrow) fitting from sizes 6, 7-12
Please note 90% of customers tend to drop half a size in our Gordon boot last compared to their fitting in the Cambridge or Stanley dress shoe last
to allow for the extra room at the width of the toes the Gordon last has. That is unless their ball measurement is a lot wider.
Please note the Smith Boot and the Kos Sneaker have removeable innersoles that come with them (unless you opt in a Heritage boot to add 3mm extra depth). Hence why we provide a measurement of the last dimensions whether you leave the innersole in or remove it (removing the innersole gives you 6mm extra volume - useful for higher insteps)
